INTRODUCTION

This publication lists grade names for all of the agricultural products for which United States standards have been issued. It was compiled from the official published standards and checked for accuracy by the commodity divisions issuing the standards. Standardization work is handled by the Cotton, Dairy, Fruit and Vegetable, Grain, Livestock, Poultry, and Tobacco Divisions of the Agricultural Marketing Service, U. S. Department of Agriculture. A complete list of all standards is contained in "Checklist of U. S. Standards for Farm Products," AMS-210, copies of which may be obtained from the Marketing Information Division, Agricultural Marketing Service, U. S. Department of Agriculture, Washington 25, D. C. Copies of the standards listed in this publication may be obtained from the individual commodity divisions issuing them.
